Brotzeit (German Bier Bar & Restaurant), Vivocity

In appreciation of the Firm's clients and friends, Navin & Co. LLP hosted a private Oktoberfest party at Brotzeit in Vivocity to select guests of the Firm.

The guests were treated to a special Bavarian Oktoberfest beer and cuisine imported from Germany especially for the event.

In the past few years, the firm has been very fortunate to have obtained the kind support of many members of the shipping and oil and gas industries.

The firm looks forward to enriching the working friendship we have with our supporters for many years to come.
